THE HUB-CLOTHIERS AND FURNISHERS,

"I find no clothes anywhere that fit like yours." "I have looked Wheeling over and can see no such stylish suits outside of your store." "Yours are the best made suits I've had shown me, and I've been the rounds." "I don't see how you can sell them at the price you do," referring to our \$10 suits. There's no mystery about it, gentlemen. It's no surprise to us to hear you say these things about our clothing. The truth will out. Superiority will tell. Every suit in our stock is made for our trade by manufacturers of whom there are none better. We have been studying you and your likes for years. You get the benefit of the best taste-the best talent-the best materials in our suits. It isn't advertisement talk for us to claim the unbetterable. It isn't exaggeration for us to claim to sell the best cheaper than others, Our suits prove it-the unsolicited testimony of patrons proves it. \$15 is the others price for our \$12.50 suits; \$20 for our \$15 suits, even then its value-without the exclusive stylewithout the finish-without the effect-not one-quarter of our variety.
